PROFILE

Cybersecurity and Digital Forensics professional with hands-on experience in penetration testing, digital forensics, vulnerability assessments, and incident response. Proven ability to conduct security audits, support cybersecurity awareness training, and implement IT security controls in real-world and simulated environments. Recognized by the Communications Authority of Kenya at the CA CyberRise Hackathon 2023 for excellence in ethical hacking and threat detection. Proficient in Wireshark, Burp Suite, Kali Linux, Autopsy, and other cybersecurity tools, with strong analytical and teamwork skills in both academic and professional settings.

PROFESSIONAL EXPERIENCE

AI Data Annotation Specialist

02/2026 – Present

Atlas Capture

Remote

- Annotate and label video datasets for AI and machine learning training
- Identify objects, actions, and patterns with high accuracy
- Ensure data quality and compliance with annotation guidelines
- Perform quality assurance checks to reduce labeling errors

Security Analyst Trainee

09/2025 – 04/2026

Cyber Shujaa Program

Nairobi, Kenya

- Completed training in cybersecurity fundamentals, threat analysis, and incident response
- Conducted SOC-style simulations and vulnerability assessment exercises
- Developed skills in security monitoring, reporting, and risk analysis
- Participated in hands-on labs covering ethical hacking and system defense techniques

Cybersecurity and Forensic industrial attachment

09/2024 – 12/2024

Secunets Technologies Limited

Kikuyu Town, Kenya

- Conducted vulnerability assessments and security audits on client systems
- Assisted in penetration testing and identification of system weaknesses
- Implemented IT security policies and improved organizational security posture
- Supported cybersecurity awareness training for staff and clients
- Collaborated with technical teams on network and endpoint security improvements

EDUCATION

Diploma in Computer science - Cybersecurity and Forensic

09/2022 – Present

kibabii University

Bungoma, Kenya

Kenya Certificate of Secondary Education (MEAN GRADE B -)

01/2018 – 11/2021

St Francis boys High School - Suwerwa

Kitale, Kenya

SKILLS & COMPETENCIES

Research & Analysis

- Cybersecurity Risk Assessment
- Threat Intelligence Analysis
- Data Analysis & Reporting
- Policy Development & Documentation
- Research Methodology
- Compliance Standards Implementation

LANGUAGES

Swahili

English

CERTIFICATES

- Cyber Shujaa Security Analyst Certification - USIU-Africa, Serianu Limited Apr 2026
- Practical Ethical Hacking - TCM Security, Inc. (2025)
- Cybersecurity Fundamentals Certificate - IBM SkillsBuild (2024)
- Computer & Digital Forensics Masterclass - OCSALY Academy (2024)

AWARDS

CA CyberRise Hackathon 2023

01/12/2022

Communications Authority of Kenya

- Recognized by the Communications Authority of Kenya for demonstrating exceptional skills in ethical hacking and threat detection.

SOFT SKILLS

Soft skills

- Critical Thinking
- Communication
- Time Management
- Leadership
- Collaboration
- Adaptability
- Problem solving
- Creativity

TOOLS AND TECHNOLOGIES

Digital Forensics - Intermediate

- Autopsy, Volatility, Mobile & OS Forensics

Penetration Testing - Advanced

- Kali Linux, Burp Suite, SQLmap, Nmap, Metasploit

Network Security - Advanced

- Wireshark, Nessus, Network Analysis

Incident Response - Advanced

- Malware Analysis, Threat Detection, Security Auditing

PROJECTS

Cybersecurity Awareness Campaign Development

- Designed comprehensive training materials and awareness programs for diverse audiences
- Focused on bridging digital literacy gaps and promoting safe technology practices among youth and professionals

Digital Forensics Research Initiative

- Conducted in-depth analysis of computer, mobile, and operating system forensics with real-world case study applications
- Developed expertise in evidence collection and analysis methodologies

Ethical Hacking & Penetration Testing

- Gained hands-on experience with industry-standard penetration testing tools and methodologies
- Participated in Capture the Flag (CTF) competitions to enhance problem-solving and analytical skills
